# Jennifer Nguyen

## Software Engineer Intern | Front-end Programmer Intern

Jennifertn27@outlook.com | (731) 437-6554 | linkedin.com/in/jennifer-nguyen-1b7a19201/

## Professional Objective

A highly motivated and technically capable senior majoring in Computer Science. Capable of programming in various languages, including C++, HTML, and CSS, with practical experience in front-end development gained through academic projects and personal endeavors. Eager to leverage technical skills and continuous learning to contribute to dynamic development teams and drive impactful projects.

## Education

**Middle Tennessee State University.**                                      Expected: Dec 2025

GPA: 3.4/4.0

Bachelor of Science in Computer Science

**Jackson State Community College**                                      Dec 2023

GPA: 3.8/4.0

Associate of Science in General Studies

## Experience

**Retail Sales Associate** - T.J. Maxx

June 2022 – August 2022 / Jackson, TN

- Efficiently helped customers find and select products, ensuring a positive shopping experience.
- Maintained a clean and organized work environment, creating a pleasant store atmosphere.
- Collaborated with the manager to mark down seasonal merchandise, increasing sales and reducing inventory costs.

**Information Technology Intern** - Jackson Madison County School System

Jan 2021 – May 2021 / Jackson, TN

- Learned and applied new concepts on how network processes work within the school system.
- Maintained inventory records of IT equipment, including hardware components.
- Troubleshooted computer issues and organize and categorize items.

## Activities and Awards

**DEV Catalyst Championship**

- Collaborated with two other teammates to create non-profit websites for local stores.
- Utilized HTML, CSS, and JavaScript for front-end development.

**TSIN Coding Marathon**

- Learned to think differently about computer science and computational thinking, and how those skills can be used to solve community problems.

## Additional

**Relevant Course:** Computer Science I, Computer Science II, Discrete Mathematics, Web Development, Algorithm and Data Structure, Assembly and Computer Organization

**Technical Skills:** C++, HTML/CSS, Bootstrap
